

# Bruce Unterbrink / Director of Construction

Has over 44 years of experience in the construction field. He started out working as a carpenter in 1966. After completing 4 years apprenticeship school he worked as a Project Superintendent until he started his own general contracting company in 1976. Bruce Unterbrink Construction, Inc. (BUCI) was incorporated in December of 1979. Since that time he has progressively built BUCI into the successful company that it is today.

## Responsibilities

Managing the cost of labor, material and subcontractors through the design, pre-construction and construction phase of projects. Duties also include bidding, estimating, scope review, scheduling, pay applications, owner direct purchases, forecast/cost projections and document administration.
